Aio

To the tilled earth spills her
fruits in drops created
with passion. A red liquid
matured under the sun, nestled
among the arms of oaks. In
harmony with quiescence, her
spirit is nourished by aromas,
and flavors. Upon awakening, her
essence is poured, filling each
glass with emotion. In this way,
the elegance of her select
character sings, reaffirming an
extraordinary personality within.

Aio,
soul of earth,
soul of wine.

18-day fermentation between 20-250 C
Malolactic fermentation and further aged in new French Oak barrels for 14 months.
Fining and Smooth Filtration
Bottled March 2011

TASTING NOTES

Dark granite red color, intense. Balsamic and fruity bouquet with notes of thyme and ripe berries. Her evolution in well-aged French Oak offers a distinct and personal character. Soft on the palate with a balanced acidity, harmonized with sweet and flavorful tannins. A wine to lay down, boasting a bold concentration of colors, aromas and flavors. Serve between 16-180 C.
